TAKE MANGO ALONG FOR THE JOURNEY.

JOURNEY ONE

Journey One brings learners from a beginner level in a new language to a basic-conversational level.

At the end of Journey One, they will gain the skills to start up conversations with native speakers and navigate their way around a new town. Journey One also equips users with broad cultural knowledge to interact with speakers of their new language.

Topics covered include:
- Greetings, gratitude, goodbyes.
- Inquiring about someone’s nationality.
- Names and introductions.
- Getting around.
- Shopping and payment.
- Numbers and currency.
- Getting help.
- Asking for clarification.

JOURNEYS TWO & THREE

Journey Two and Journey Three take users from a beginner level to an intermediate level.

Building on what was captured in Journey One, they will learn ways to navigate more in-depth daily life scenarios and more complicated tasks. Armed with the broad cultural knowledge acquired in Journey One, they’ll gain deeper cultural insights as they continue through Journeys Two and Three.

Topics covered in Journey Two include:
- Describing people and animals.
- Describing surroundings.
- Making small talk.
- Accepting and declining social invitations.
- Foods and cooking.
- Commenting on the weather.
- Using the bank and post office.
- Planning leisure activities.
- Sightseeing.

Topics covered in Journey Three include:
- Culture, literature, and art.
- Discussing historical events.
- Addressing medical conditions.
- Expressing thoughts and feelings.
- Discussing schools and education.
- Names and origins.
- Talking about food and dietary habits.
- Physical descriptions.
- Making plans.
- Sports and exercise.

Journey Four will boost users from an intermediate to an advanced level, specifically for expatriates.

This journey will teach all the language and cultural insights necessary to make users feel fully confident and ready to communicate in a new country. The conversations, cultural notes, and grammar notes are all created to help expatriates and their families start a new life in a new country.

Topics covered include:

- Traveling and navigating the airport.
- Expressing emergency situations.
- Going through customs.
- Household chores.
- Checking in to a hotel.
- Daily activities.
- Renting a home or apartment.
- Making plans and scheduling.
- Obtaining and servicing utilities/appliances.
- Social events.
- Choosing a school.
- Traveling and navigating the airport.

Journey Four is available for the following languages: Spanish, ESL Spanish, French, German, Italian, Mandarin Chinese, Russian, Brazilian Portuguese, Japanese, and Levantine Arabic.
